Black Short | 8456
Short Tactical Gloves
(EN 388:2003-3543)

Holíík
Military & Police
Gloves

Upper material:

- Back: DuPont™ Nomex® Comfort – elastic knitted fabric – colour black
- Palm: Goatskin leather with hydrophobic treatment

Reinforcement:

- Leather reinforcement in the palm and on the back of the glove
- Knuckle protector – leather reinforcement with anti-impact filling
- Palm area is underlaid with Fibreglass/Para-Aramid/PES knitting
- Special leather reinforcement of index finger and thumb

Additional information:

- High strength, flame-retardant
- Resistance to mechanical risks, good sensitivity and flexibility
- Anatomically divided reinforcement in the palm, anatomical and comfortable glove cut
- The glove is ended with a tightening strap with velcro fastening
- Special design of the index finger with an overlapping seam on back side of the glove for more sensitive manipulation with a gun, and longer lifespan of the glove
- Touchscreen capability on the middle finger

Size assortment: 7-8-9-10-11-12
