Light Tactical Gloves

# Holík

Military & Police  
Gloves

## Upper material:

- Back: Spandex
- Palm: Synthetic Leather

## Reinforcement:

- Fiberglass Kevlar anti-cut fabric lining in the palm area
- Special reinforcement in the palm – better recoil handling
- Light anti-impact knuckle protector on the back

## Additional information:

- Resistance to mechanical risks in the palm, high sensitivity, flexibility
- Comfortable glove cut
- The glove has elastic ending to fasten it firmly on the hand
- Pre-made place for hole in the cuff providing an option for the user to have a loop for hanging on carbine
- Special design of fingers with an overlapping seam on back side of the glove for more sensitive manipulation with a gun and other equipment

**Size assortment: 7-8-9-10-11-12**

# Holík

Military & Police  
Gloves

Light anti-impact  
reinforcement

Pre-made place for a  
hole providing an  
option to have a loop  
for hanging

Anti-impact filling  
(recoil handling)

Redline = anti-cut lining, the lining is placed so it protects the user, but in the same time leave the gloves as tactile as possible on the fingers
